

Westside Baptist Academy

CHURCH AFFILIATION CONFIRMATION

In order for a child to be enrolled at Westside Baptist Academy, one parent/guardian must be a born-again Christian and agree with, support, and adhere to the following requirements:

1. We understand that attending Westside Baptist Academy is a privilege. The Academy reserves the right to discontinue enrollment of any family who does not cooperate with WBA's educational/spiritual standards and goals.
2. We understand that continued enrollment of our student(s) at Westside Baptist Academy requires acceptable academic performance and proper spiritual conduct by our family/student as determined by the Bible, the school staff and administration. Re-enrollment is conditional on acceptable behavior, academic progress, spiritual life and financial commitments met.
3. Westside Baptist Academy exists primarily for the edification of the faithful families of Westside Baptist Church. We extend this privilege to other like-minded ministries that stand firmly upon God's Word and the foundation of Jesus Christ. This includes, but is not limited to, the biblical definition of marriage between a man and a woman, the clear biblical teaching that biological gender is both sacred and established by God's design when determined by God at birth, the biblical boundaries of sexuality and moral conduct and the importance of adhering to the Bible in its entirety. This also includes the commitment to regularly attend (with your child) a Bible-teaching church with the same doctrine as Westside Baptist Academy. It is required at WBA that the parent(s) enrolling their child understand, agree with and completely support these standards and goals.
