**Fresh  
Clean  
Opportunity**

*I love the New Year because it draws a line in time where we can begin again. The hopes of the New Year are limitless. We have a “Fresh” opportunity to take on goals and challenges in our lives. We have “clean” and unspoiled pages of time to “write” our lives for the Lord.*

*As you go through this week and into 2025, consider what your life could be if the Lord were the true center of everything that you do. Determine not to take some things into the new year that don't belong there. Set out with a firm resolve to make 2025 the best year you that you can make it for Christ!*
